The 22nd Annual Conference and Workshop Technological Advances in Science, Medicine and Engineering

July 7-8, 2018

SickKids

Toronto, Canada

The 22nd Technological Advanced in Science, Medicine, and Engineering Conference (TASME2018) will be hosted in SickKids/University of Toronto on July 7-8. This is a unique international conference dedicated specifically to Science, Medicine and Engineering Advancements. You are welcome to contribute professional papers and/or student posters. We would also like to invite you and your colleagues to submit papers to the conference. For more info please visit our website.

Abstract Due: April 15, 2018

Abstract Submissions

Authors may submit more than one abstract. Submit them via email to tasme@utoronto.ca

General Paper Format

Authors are strongly encouraged to follow the general guidelines which are available on the TASME website.

TASME 2018 chairs

Dr. Nades Palaniyar, SickKids/University of Toronto (nades.palaniyar@utoronto.ca)

Dr. Bala Maheswaran, Northeastern University, Boston, MA, USA (mahe@northeastern.edu)
