TO OUR SINHALESE COMPATRIOTS: YOU AND WE ARE ONE, MAN!

--Professor Kopan Mahadeva--

You and We are One, Man -- yet
Our folks cry out for Justice, Man.

Buddhism is Saivism's baby, Man
Gowtham, Kantha's kid-bro, Man.

Race and castes are rubbish, Man;
Rifts are flopping our country, Man.

Sinhala and Tamil are sweeties, Man
Let's love both Our Languages, Man.

English: rich and cute a lingua, Man
Let's keep it too for linkage, Man.

Lanka, the sole home of Sinhalas, Man,
Is the 'Eelam' as in age-old Tamil, Man.

Blasting battles have broken us, Man
Let's now cool down and cuddle, Man.

Let's shun thin-mind thinking, Man
And flush out Hatred and Fear, Man.

Let's forget all mutual cruelties, Man
And cultivate living compassion, Man.

You and We are all One, Man -- but
Our folks yet cry out for Justice, Man.

Let's live as four good brothers, Man
And follow our four great Faiths, Man.

Our Eden Island is for all of us, Man
Let's love it and live as equals, Man!
